Summer Style

With all this warm weather, wouldn't it be nice to have a cool airy feeling in your home. Cool blues, crisp whites and soft linen curtains flowing in the breeze. Though most of us in the city won't get to venture to the coast this summer, we can achieve this ever-popular look in our homes.

Essential room ingredients are:

- soft linen pillows, curtains and/or bedding
- crisp white shutters
- light coloured wicker or antiqued wooden furniture
- Accents in coral, lime green and yellow
- Beach themed accessories – shells, flowers, boats, coloured glass, stones

Blues
 CC-816 *Athabaska*
 HC-150 *Yarmouth Blue*
 CC-788 *Watercolour*
 2122-40 *Smoke*

Tans
 CC-338 *Bluffs*
 HC-80 *Bleeker Beige*
 CC-90 *Natural Linen*
 OC-10 *White Sand*

Whites
 CC-70 *Dune White*
 OC-131 *White Down*
 OC-5 *Maritime White*
 OC-37 *Glacier White*

Getting the look

- ◆ Edit all heavy items, remove dark area rugs and blankets
- ◆ Remove thicker drapery panels leaving only sheers or blinds
- ◆ Bring in lots of colourful pillows
- ◆ Use white wainscotting or bead board for a more permanent look
- ◆ Accessorize with coloured glass, brushed stones, silvers and crystals
- ◆ Use lots of white candles
- ◆ In bedrooms, drape sheer netting over the bed
- ◆ Use natural materials linens, cottons, silks
- ◆ Pick wildflowers and display them in a glass vase

Seminar

Thanks to all who attended our colour seminar on June 15th. Despite a short power failure, the evening was a success. Participants learned the properties of colour, mixing colour and applying it in a real-life situation. We are looking forward to our next one to be held in the fall.

The staff at Decorators Choice Paint Store can assist you in finding the perfect colour, fabric, blind or overall concept to make your spring project a success. Either come in with your ideas, or book an appointment for one of our experienced interior decorators to come out to your home and we will help you create the room of your dreams.
